

Evelyn, 11

**My Favorite Things:**

I like gymnastics, being social, playing games, listening to music, arts and crafts, and being one-on-one with an adult or peer.

**Things I do not like:**

Bugs, bees, hearing the word “no”, and having to do chores.

**Favorite Foods:**

Pizza, donuts, and hot chocolate.

**What I want in a family:**

I want a family that will do fun things with me! I want a family that will listen and interact with me when I want to do activities.

**What I want families to know about me:**

I can be very shy, however once I get to know you I open up and become more social. I need to take space when I’m angry and I can’t take about it right away. I get scared of weather if it’s really windy and snowy.

**What we want families to know about the youth:**

Evelyn is a sweet young girl that would love to have two parents that give her all the attention and nurturing that she deserves. A family who is able to talk with Evelyn and let her know what is happening in the world around her. She is very helpful and she does well with younger children. She will need a family that is active and will participate in her therapeutic needs.

For more information about Evelyn, please contact Ashley Sargent at PO Box 4009 Burlington, VT 05406-4009 or

(802) 527-6144 or [ashleys@lundvt.org](mailto:ashleys@lundvt.org)
